GREAT THINGS

**Come let us worship our King, come let us bow at His feet
He has done great things
See what our Savior has done, see how His love overcomes
He has done great things, He has done great things**

Chorus:

**Oh, hero of Heaven, You conquer the grave
You free every captive and break every chain
Oh God, You have done great things
We dance in Your freedom, awake and alive
Oh Jesus, our Savior, Your name lifted high
Oh God, You have done great things**

**You've been faithful through every storm
You'll be faithful forevermore
You have done great things
And I know You will do it again
For Your promise is "Yes and Amen"
You will do great things, God You do great things**

Chorus:

**Oh, hero of Heaven, You conquer the grave
You free every captive and break every chain
Oh God, You have done great things
We dance in Your freedom, awake and alive
Oh Jesus, our Savior, Your name lifted high
Oh God, You have done great things**

Garments

I saw my ashes, You saw Your dream
I saw an orphan, You were my family
I saw my frailty, You saw Your might
I saw my blindness, You were the light

Chorus:

You give me garments of praise, fullness of joy
Unending mercy, new every morning
Garments of praise, fullness of joy
Unending mercy, new every morning

I saw the water, You saw the wine
I saw dead branches, You were the vine
I saw my weakness, You saw Your blood
I saw my failure, You were enough

Chorus:

You give me garments of praise, fullness of joy
Unending mercy, new every morning
Garments of praise, fullness of joy
Unending mercy, new every morning

Bridge:

I was lost, til You called me out by name
I was down, til You picked me up again
I was wrong, til Your love had made me right
I was dead, til You sang me back to life
I was lost, til You called me out by name
I was down, til You picked me up again
I was wrong, til Your love had made me right
I was dead, til You sang me back to life

Till I Found You

I searched through the earth
For something that could satisfy
A peace for the hurt, I had buried deep inside
Knees on the floor
I finally found everything I needed
You lifted me soul and opened up my eyes

Pre-chorus:

And I never knew anything lasts forever
Till I found You, till I found You
I never dreamed anything could be better
Till I found You, till I found You

Chorus:

You're rewriting my story
And I'm brand new like a morning
Oh, I never knew anything lasts forever
Till I found You, till I, till I found You
Till I, till I found You
Till I, till I found You
Till I, till I found You

Gone are the days
I'm chasing after what won't last
I'm done with building these castles
That crumble like sand, Oh, knees on the floor
I finally found that everything I needed
Was always right in front of me
You gave me a name, You changed everything I am

Pre-chorus:

And I never knew anything lasts forever
Till I found You, till I found You
