

CATALINA BASIC BOOT CAMP April 26th-29th 2024

Greetings brothers! We are so excited to announce Wildmen West will be hosting a BASIC BOOT CAMP on Catalina Island April 26th-29th 2024 at Campus By The Sea. We will be praying for you as you consider and fight for these days off to attend. If you've come before, consider coming again and bringing a friend. Space will be limited so register soon.

Registration will close on April 8th.

What is BASIC?

Wild at Heart BASIC is Wild at Heart Boot Camp led by John Eldredge and his team through video session in your local area.

Why do I need BASIC?

A man needs a deeper understanding of his masculine heart - and why God made him just like that. What if those deep desires in our hearts are telling us the truth, revealing to us the lives we were meant to live? A man must know he is powerful; he must know he has what it takes. The way we handle the heart is everything. Basic is not a retreat about the "seven things a man ought to do to be a nicer guy." It is a four day quest into the recovery of a man's masculine soul, the release of a man's heart - his passions and his true nature - all given him by God.

LOCATION & SPECIAL NEEDS:

Campus By The Sea, Gallaghers Cove, Catalina Island, CA [camp map of CBS](#)

Campus By The Sea is a beautiful and simple facility. Toilets and showers are a centralized shared facility. Camp may not be entirely ADA compliant but does have ramps to all common areas. Accommodations are rustic in a gorgeous location. It has uneven terrain walking paths between facilities. No WIFI and little to no cell coverage. Participants must be able to transfer from a small shore boat, up a gantry to a floating dock and gangway. Camp is not ideal for those confined to a wheelchair or with other severe mobility issues.

[Cabins](#) are without power. Bring a flashlight.

IMPORTANT! If you have need for continuous power/battery for a CPAP machine please contact Jon at: wildmenwestministry@gmail.com 310-779-0947
