College Camps: InterVarsity Spring and Fall retreats and leadership training.

Praise & Prayer

We are one month into our 2023 season, and we have already hosted more than 1000 campers. Most were college students attending InterVarsity Chapter Camps during their spring break. We witnessed numerous baptisms, heard wonderful worship music, saw groups studying God's word, and served more than 11,000 camper meals! We are so grateful to the staff and many volunteers that put in long hours to help us serve these campers so that God could meet them here. We are still in need of additional staff. Please continue to pray for additional staff that can work and thrive here at camp.
