Mission***

Rancho Abierto, Baja, Mexico

Hey Avalon Family!

We have just started week six of our family discipleship training school here at YWAM Rancho Abierto. That means we are exactly halfway through the lecture phase! The teachers of both this and last week are Paul and Virginia Friesen who I expect are familiar names to some of you. They have been teaching on biblical marriage and parenting and in many ways their weeks are the crux of our school. As we are about halfway through the school, we are starting to see some of the friction of living in community. With families from different cultures and language barriers, there have been some misunderstandings. Also, three of our staff couples are each wrestling with their own marital hurdles. As the Lord is moving and working, the enemy is trying to divide and distract. Would you please be praying for all of our student and staff families? Pray that restoration and healing would continue and that the enemy would not have a foothold in relationships and individual hearts. Pray that everyone would be receptive to all the Lord has to teach them. Also, as the students are raising support for their eight-week outreach, pray that the Lord would financially provide for each of them. We have two Mexican families (one student and one staff) who are struggling to find the financial resources to pay for outreach. As a base located in Mexico, it is our desire to equip and support local families as they pursue the Lord. If you feel the Lord leading you to financially help these families please let us know! Lastly, as we mentioned in our latest newsletter, we have been having power issues here at the base. Our commercial generator has been broken for a number of weeks, which makes life a bit challenging. Please pray that the part we are receiving this week would indeed repair it!

Thank you all so much for your prayers, encouragement, and support. You are truly a blessing to us!
